# Visage is a contemporary window blind made of opaque fabric vanes that sit beautifully between two layers of sheer fabric

Add a touch of style and luxury to your room with Visage, a brand new window blind that revolutionises the way light and privacy is controlled, bringing a soft and soothing ambience to your room.

The beautiful and decorative Visage blind forms a superior window furnishing that brings a feeling of warmth and security into your home through its soft undulating design and unique operation.

Visage is made up of two layers of soft fabric connected by horizontal sheer vanes that gently filter sunlight whilst maintaining different levels of privacy and UV protection as the blind is raised or lowered.

The blind can be fully raised to give a full outside view, it can be lowered with the sheer vanes aligned to control the light and retain a view with some privacy during the day, or it can be fully closed for total privacy in the evening.

Visage can also be motorised for your convenience with Louvolite One Touch™ battery operated motors, enabling you to adjust your blind at the touch of a button.

Visage blinds can be fitted onto windows and doors up to 2.5m wide

# personalise your Visage blind

Visage blinds can be finished off beautifully with an Open Cassette available in a range of colours from white, black, bronze, chrome or satin, or a Closed Cassette in white or black, both ideal for neatly concealing the mechanism of the blind. These beautiful headrails can be coordinating or contrasting to the fabric, and the additional option of having a matching fabric profile in your cassette allows for a truly personalised window furnishing.

## customised cassettes

White Open Cassette - 40 & 70mm

Black Open Cassette - 40 & 70mm

Open Cassette with Fabric Profile - 40 & 70mm

Bronze Open Cassette - 40mm

Satin Open Cassette - 40mm

Chrome Open Cassette - 40mm

White or Black Closed Cassette - 75mm

## OneTouch™

ADVANCED LIGHT CONTROL

Increase privacy levels and filter daylight more conveniently with the addition of luxury motorisation for your Visage blind. Using the rechargeable battery powered motor with remote control, you can raise or lower your blind at the touch of a button.

Louvolute One Touch™ brings you motorisation at surprisingly low prices as the battery powered motors require no wiring, making installation quick, clean and simple.
